

REACH Statement of Compliance

European Directive 1907/2006 Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)

January 2024
Revision - 1

Circad Design Ltd is fully aware of this directive as it applies to Importers and Distributors of 1. Substances, either in their pure form or in 2. Preparations and 3. Articles in excess of 1 Tonne.

1. Circad Design Ltd does not import any substances in their pure form so are not directly affected by the Directive.
2. Circad Design Ltd does import products that are composed of substances as defined by the regulations, including some that may appear on the list of Substances of Very high Concern (SVHC). We are constantly monitoring the substances of very high concern SVHCs in our products and our customers are also encouraged to visit the following site to get the most up-to-date information on the current list of

SVHCs: <https://echa.europa.eu/candidate-list-table>

3. Where SVHCs are advised to be present, we will contact our customers by a suitable method and provide appropriate Material Safety Data Sheets (MSDS).

The European Union (EU) has adopted regulation no.1907/2006, also known as the REACH (Registration, Evaluation and Authorization of Chemicals) regulation, which became effective 1st of June 2007

Circad Design Ltd has contacted all of our suppliers and to the best of our knowledge and belief, none of the articles that we sell intentionally contain any of the 235 Substances of Very High Concern (SVHC's) currently on the candidate list in concentrations of >0.1% by weight.
